PRODUCT RANGE

▶ **Cake Products**

We offer a variety of ingredients for cake baking, including premium cake mixes, rich chocolate chips, buttons, and callets. Our selection of sugars includes granulated sugar, caster sugar, and icing sugar, along with flavorful icing options and a wide range of flavourings to enhance baked goods.

▶ **Bread Products**

Our bread product range includes high-quality white flour, dark rye flour, and specialized bread mixes. We supply vital gluten, top-tier yeasts, and bread improvers to enhance dough performance, along with Calcium Propionate to ensure longer shelf life for baked goods.

▶ **Nut & Seeds**

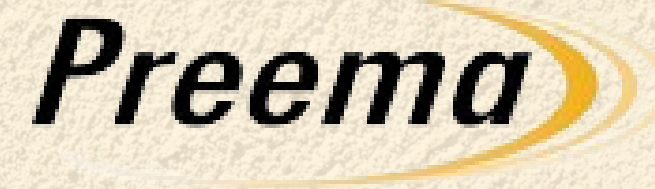

For bakers looking to add texture and nutrition, we provide candied papaya, raisins, peanuts, chopped dates, sesame seeds, and premium cashews. These ingredients are perfect for both decorative and functional use in baked goods.

▶ **Other Products**

Our miscellaneous category includes essential bakery ingredients such as bread crumbs, desiccated coconut, and coconut milk powder. Additionally, we offer citric acid for acidity regulation and cinnamon sticks for natural flavor enhancement.
